ARE YOU LOOKING FOR A MAGNIFICENT DESTINATION TO ENJOY WITH YOUR WHOLE FAMILY?

Ibiza offers an endless number of possibilities for families who want to relax and at the same time like discovering new places, exploring interesting spots and doing sports or other activities together.

In Ibiza you can meet ancient civilizations (Phoenicians, Romans, Arabs, Christians, etc.) while having fun. Or take part in events in which you will learn more about other traditions, buy something at unique markets, do bicycle trips, go hiking or experience Ibiza on horse-back, make a trip on a tourist train or boat, visit caves, enjoy spending some time in water parks or at any of the numerous beaches with crystal clear water and many other things for the whole family.

IBIZA looks forward to meeting you ...

Beaches

Ibiza offers numerous beaches with crystal clear water which are shallow and do not cover you completely until far out. There are rocky areas with a lot of sea fauna where you can do some snorkelling as well as sandy areas, ideal for children to play.

Here you will find a selection of beaches which offer the following facilities: lifeguard, pedalos for hire, etc. and which are simply ideal to spend some time there with children.
