

ACCOMMODATION UPDATES

Ibiza's hotels continue to be immersed in a comprehensive process of transformation designed to increase their category, albeit spurred on at the same time by the inauguration of new establishments.

7Pines Resort Ibiza has opened its doors in May 2018. It is a real gem on the seafront, near Cala Codolar beach, on the west coast of Ibiza, in a pine forest and surrounded by blue crystal clear water. In addition, this luxury resort is located on the top of a cliff offering spectacular views. www.7pines.com

The Ibiza hotel group Concept has two new openings this season: **Cubanito Ibiza Suites**, in the area of Cala Gració beach, with a decoration that carries to Havana from the 50s and **Paradiso Ibiza Art Hotel**, located in Sant Antoni bay, is an establishment with a marked artistic character, since more than 50 artists contemporaries of different disciplines will join this project set in Miami Art-Decó. www.concepthotelgroup.es/es/hoteles

The Eurostars Hotel Company chain has opened the **Eurostars Ibiza**, a 4 star hotel, first of the chain on the island of Ibiza and the second on the Balearic Islands. It is a boutique hotel with 36 suites, all with a terrace and views to Ses Figueretes beach. www.eurostarshotels.com/eurostars-ibiza

Hotel Boutique Spa Las Mimosas and **Casa Maca** are the two new acquisitions of the Mambo Group in Ibiza for the 2018 season. Las Mimosas has been recently renovated and it has 11 junior suites and 6 suites with elegant and sophisticated decoration in natural tones. Located in Sant Antoni bay, it also has a pool and spa. In the case of Casa Maca, it is an estate located in the countryside of Ibiza and offers the

possibility of a luxury rural vacation. Completely renovated, but respecting typical Ibizan architecture, it has suites and junior suites. www.grupomambo.com

In **2019**, the well-known Apartamentos El Puerto, located in the centre of the city of Ibiza, will open the summer season converted into **El Puerto Hotel**, a new 4-star accommodation that will have 241 rooms and a wide range of extra services. www.ibizaelpuerto.com

W Hotels Worldwide from Marriott International will disembark on the island with **W Ibiza**. This new luxury hotel will be located in the municipality of Santa Eulària (it will be a comprehensive reform of the Orquídea hotel) and will have 162 rooms and suites, spa, rooftop bar and its iconic wet-deck concept for adults.

Six Senses Ibiza will open its doors in the area of Portinatx, in Cala Xarraca bay. It will be a resort with 134 accommodation units with different types of suites in a land of ten hectares and which focuses on the well-being of the body and mind with offer of fitness, yoga, nutrition ... and a magnificent spa. www.sixsenses.com

A luxury hotel is under construction on the Paseo Vara de Rey, the heart of the city of Ibiza, on the building lot of the old Cinema Serra. This hotel plans to open its doors in 2019 in this recently pedestrianized area, and where in 2016 the renovated Gran Hotel Montesol Ibiza reopened with a five-star category establishment.
